Between:  Tel:  ("Purchaser(s)")  
And:  Tel:  ("Vendor(s)")

### The Purchasers offer to purchase the Real Property described below from the Vendors:

Civic Address of the "Property": , , Saskatchewan

Legal Description: Lots / Condo Unit  Block , Plan No.   
or describe by Parcel #'s

subject to the reservations and exceptions appearing in the existing Certificate of Title, free and clear of all encumbrances except such encumbrances as are expressly agreed to in this Offer.

1. Purchase Price: The Purchase price shall be the sum of \$  to be paid as follows:

a. \$  will be paid by cheque or bank draft payable to the vendor's lawyer as the deposit toward the purchase price immediately when the Vendor accepts this offer, as a condition of this agreement being effective. The deposit is given to the vendor's lawyer in trust for both parties pending completion or other termination of this agreement and dealt with as provided in this offer.

b. \$  by a new mortgage to be arranged at the Purchaser's expense.

Note: Although uncommon, if you intend to assume the Vendors' existing mortgage instead of getting a new mortgage, make it a condition in #3 of this offer that the Vendors will consent, that you can obtain written permission from the lender and that the terms are acceptable to the Purchaser. Describe it by bank name & approximate amount.

c. The balance of the purchase price will be paid in cash, subject to adjustments, to the Vendor or Vendor's solicitor on or before the Possession Date.

2. GST: Click to highlight the applicable clause for GST below or fill in the comment box. Specific comments override the pre-set clauses where they conflict. If the option selected does not properly describe the Property or there is no selection, then if there is GST at law, it must be paid in addition to the Purchase Price. For advice, contact the [Canada Revenue Agency 1-800-959-8287](http://Canada Revenue Agency). Remember, there are limits on GST rebates for new construction and not every buyer qualifies.

Used urban residence: Usually there is no GST. The Purchase Price includes GST, if there is any.  
Newly built residence: For Residence of Buyer - GST is included in Price. GST rebate goes to the builder.  
Newly built residence: Buyer won't live there - GST is extra & buyer applies for rebate if they qualify.  
Acreage/Rural Home: GST may be exempt in whole or part. GST is extra if the law requires it to be paid.  
Land without a Residence on it: GST is extra if the law requires it to be paid.  
Previously occupied (used) cabin & not an acreage: The Purchase Price includes GST, if there is any.  
None of the above describe the Property. Therefore, GST is extra if the law requires it to be paid.
